

CHRIST COMMUNITY CHURCH

GROWING TOGETHER

We believe in doing life together! CCC is committed to establishing ministries that meet to encourage, care for and challenge believers to walk out their faith.

We believe in making disciples. A disciple is one called by God into a loving relationship with Christ for the purpose of becoming like Christ while on mission with Christ. Our vision is to see people

- Fall deeper in love with Jesus (**greater intimacy**)
- Become more and more like Jesus (**greater maturity**)
- Live increasingly on mission with Jesus (**greater impact**)

CCC is providing various opportunities to aid in your journey toward spiritual maturity and developing authentic, Christ-honoring relationships. These opportunities include biblical teaching as well as discussion about practical life application and feature a variety of topics relevant to men, women, and youth.

These opportunities are available for a wide range of groups and special interests and will connect you with a group of people to hang out with, support and pray for as they do the same for you.

MARRIAGE GROUP

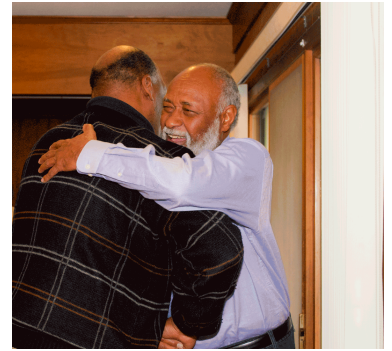

What is marriage, really? Well simply put, it's just two imperfect people who have vowed to commit themselves to each other, before God, for a lifetime. However, down the road of commitment and family growth, the understanding of marriage has the tendency to become lost. Many couples do not understand that in order to grow in their relationship with each other, they have to grow in their understanding and love of God. But what does this look like in the

midst of real life? Along the marriage journey many couples get too preoccupied with the seen (their spouse, bills, work, kids etc.), and forget about the unseen (God - the creator and foundation of marriage). This class is designed around discussions that will help redirect us towards the One who created marriage, and how to apply His design for a successful, thriving union to our own relationships. Special meeting to discuss the Marriage Group will be held on **Sunday October 2, 2022** after Sunday service. Please contact the church if you have any questions.

MEN'S GROUP

All men are warriors! Men are called to fight and stand firm for their families, churches, and their communities. This life group is designed to help all men develop the spiritual weapons needed to fight the good fight of faith. Further, men will be encouraged and challenged to be the husbands, fathers, and men God has called them to be. In this group, men will be equipped to stand firm for the LORD and to remain steadfast in their commitment to God.

WOMEN'S MINISTRY

Christ Community Church desires to see women cultivate a strong relationship with Christ. In this group, as women navigate through the different issues and seasons of life, they will be equipped to understand those challenges through the Word of God. We want to encourage women to study the Scriptures together and encourage one another to live for God. Special meeting for the ladies of CCC will be on **Sunday September 18, 2022** after Sunday service.

YOUTH MINISTRY

Children's Church

CCC is committed to the growth and development of our youth. The Kingdom Kidz children's ministry is designed to help our children grow in their walk and relationship with God. Children will start in the beginning of the Bible, and travel through various accounts in Scriptures. They will learn Scriptural principles that will help them navigate through life. Children's Church meet on **Sundays after Praise & Worship on 2nd and 4th Sundays.**

Youth Group

The Youth Group is specifically for young people ages 13 – 18. This group allows young people to explore who they are in Christ and gain the confidence they need to use their unique gifts to serve Him faithfully. A person is never too young to serve God. This group's goal is to help young people understand their value and worth in Christ. They will be encouraged to trust Him, follow Him and serve Him in their youth. Youth Group will begin in the month of September. Please contact the church to get more information.
